

Originally from Northern Manitoba, Cindy is a bilingual Family Law lawyer at the firm of Campbell O'Hara here in Calgary. She moved to Calgary in 2004 to join the National Women's Bobsleigh program through Bobsleigh Canada Skeleton and to pursue new career opportunities in Family Law. Since then, Cindy has been enthusiastically practicing family law, representing clients at both the Provincial Family Court as well as the Court of Queen's Bench. She specializes in divorce, child and spousal/partner support, custody and access, protection orders in domestic violence situations, and matrimonial property division in high conflict situations.

Cindy has been volunteering with us for almost two years and has been providing practical and effective legal services to the public through our evening legal clinics, Dial-a-Law Law Day activities, our Advice-a-thon, as well as facilitating family law workshops to various groups in our community. She is committed to providing high quality and accessible legal information and works to ensure that everyone has access to the information they need in order to navigate their family law matters. Cindy was also a regular participant in the YMCA's "Keep a Roof over their Heads" fundraiser, raising thousands of dollars for women and families in need, and she is committed to giving back her community. Cindy maintains a busy practice of both private clients, as well as clients on legal aid certificates and she is committed to access to justice

Cindy brings knowledge and enthusiasm to our programming and we enjoy having Cindy as a part of our volunteer roster.
