

## 2018 Summer Law Student Positions

### Overview

Calgary Legal Guidance (CLG) is a charitable society established in 1972 to provide legal advice and assistance to low-income people with family, criminal, immigration, civil and other poverty law matters that are not covered by Legal Aid. CLG offers specific programs in the areas of domestic violence, family law, homelessness, seniors' issues, social benefits and immigration.

Over 4,000 clients are assisted each year through community legal advice clinics staffed by volunteer lawyers, with follow-up help and representation provided by the Senior Managing Counsel, program lawyers, pro bono lawyers, advocates, articling students and, during the summer months, law students. CLG is also committed to public legal education through presentations in the community and through partnerships with many agencies and organizations that assist the disadvantaged.

### The Role

Three summer student positions are available for 2018 for a 16 week period beginning in May. CLG seeks candidates who are committed to improving access to justice. Applicants should demonstrate an ability to work in a team atmosphere as well as independently and should be interested in issues of poverty, discrimination and victimization.

### Required Qualifications

Current enrollment in a law school within Canada or a comparable jurisdiction. Excellent research skills as well as a high degree of competency in oral and written advocacy are required.

Preference will be given to candidates with some experience in public interest/poverty law, litigation and working with vulnerable/marginalized persons.

These positions are funded by a generous Grant from Canada Student Summer Jobs. Canada Student Summer Jobs requires that all applicants be 25 years of age or younger and intending on returning to school.

CLG promotes employment equity and diversity.
