

On October 8, 2020, I was thrilled and very honoured to receive the Alan D. Hunter Volunteer of the year award.

I began volunteering at Calgary Legal Guidance early on in my career as a family lawyer. I enjoyed every aspect of volunteering, including but not limited to, meeting new people and being able to help members of our community who may not necessarily be able to afford a lawyer.

Calgary Legal Guidance is great organization and I feel honoured to be able to volunteer my time to an organization whose mission I truly value and hold in high esteem.

Thank you Calgary Legal Guidance for everything you do. Thank you to all the volunteers of Calgary Legal Guidance who are all equally deserving of this award.
